## **Broxburn Parish Church Church of Scotland**

**Sunday 6<sup>th</sup> November 2016**  
***Remembrance Sunday***

### **Prayer for Today**

(for silent reflection before the service begins)

Almighty God, we remember with sadness the horror of war and those who have died in any kind of war: soldiers in battle, households buried beneath rubble, families hacked to death in rural villages. Lord, as we remember the victims of the two world wars and other military campaigns we are reminded of our calling to be peacemakers. Make us true channels of your peace for Christ's sake we pray this. Amen

(BCF, Church of England)

***If you have a prayer request kindly fill out the Prayer Request Slip on the pew. It will be collected during the singing of a hymn.***

---

A warm welcome to everyone, especially if you are worshipping with us for the first time. Please join us for a cup of tea or coffee after the service in the large hall; just follow the sign to 'Halls'.

**To benefit from our induction loop system, set hearing-aids to the 'T' position.**

## Soup Lunches

Recently there have been a lot  
of enquiries regarding the soup  
lunches. People are missing the  
fellowship and also the church is  
missing the much needed  
income from them.

Therefore, it is proposed to  
recommence the soup lunches  
on a monthly basis initially,  
depending on whether there are  
enough people willing to  
volunteer to make soup,  
sandwiches, rolls - or to help on  
the day of the lunch. All money  
raised from the lunches will be  
for church funds.

If there is enough help, we aim  
to have the first soup lunch in  
January using a rota system as  
before. This will probably mean  
you would only be required to  
help every few months or so.

If you would like to volunteer in  
any way, please let Janice  
MacPherson know either in  
person or by contacting her on:  
**01506 852280.**

## 'Let us Build a House'

The Nepal earthquake 18 months ago left 8,000 people dead and 6 million families homeless. The Church of Scotland 'Let us Build a House' project raises money to help rebuild houses in Nepal. Each house will cost £500 to build, and West Lothian Presbytery has asked every congregation to try to raise £200 for this project. We have decided to adopt a 'buy a brick' approach and you'll find an outline of our house, with 200 bricks, displayed on the back wall of the large hall. £1 will buy a brick so if you'd like to help us reach our target please put your £1 in the jar provided and write your name on one of the labels. We'll stick this onto a brick for you and that will then help to keep track of our progress towards our target of £200. Thanks in advance for your support.

## Property Group - Heating

Please could all hall users refrain from adjusting the thermostatic radiator valves.

However if they do need to be adjusted can you remember to return them all to their previous setting for the next user.

*Thank you.*

## SOYA

On behalf of my late wife Lilian I would like to say a big 'thank you' to everyone who contributed to the SOYA fund in 2016. In particular Janette Ewington and Helen Cunningham who continued to collect while Lilian was in hospital. This year on your behalf a total of £953 will be passed on, which consists of six full ASDA cards and £53 in cash along with the £36 bonus from ASDA. This was a fantastic achievement and will allow many of our vulnerable young people to receive a personal gift this Christmas - maybe the only one that they'll receive - and perhaps a Christmas lunch too. Since this project was started over £4,000 has been raised. It is my intention to continue with this project next year and would like to start to collect in December as ASDA adds the bonus in mid-November. If you would like to contribute to this project next year please see me for more details.
